APRIL 2025

Well, unfortunately, it looks like time is winding down on our northern residents stay, and you are preparing to return home. It's been eventful around here for the past few months. There have been activities, events, dinners, games, dances and more! We hope you have enjoyed your time here and pray for safe travels.

The HOA has formed our committees for the year, the Rent Committee, Financial Review Committee, Bylaw Committee, and inventory will need to be conducted. The Entertainment Committee is busy and we now have the newly formed Sunshine Committee as well.

As mentioned, we have had several events over the past months and there has been a charge for some and some complimentary. When we have a good turnout at our paid events it allows us to provide for larger attendance at our complimentary events.

There has been discussion at the recent meetings concerning use of our supplies during non-HOA events and activities. Trash bags are one of those items where everyone has access. The office purchased large trash bags recently, but we still provide supplies that are used during non-HOA events/activities. Cups, plates, utensils, napkins, paper towels, smaller trash bags, mops, cleaning supplies, coffee, the list goes on. When events are held in the clubhouse and access is allowed to the pantry there are items/supplies that go missing as well.

Recently, the Zephyrhills Elks donated a steam table to the HOA. This addition will aide in cutting out the cost of sterno (which is used for heating the chaffing dishes).

Cloth table cloths were donated to help in saving \$20-\$25 for plastic table cloths (per event). Our tables and chairs are taking a beating. At last count there were 10 chairs that have rips in them (due to not being stacked properly), that will need to be replaced before someone cuts themselves on them. Foot pads on the legs need to be replaced as well.

So, what is the solution? At our last meeting the membership voted to start charging a supply/rental fee to help offset some of the cost of replacing these items. This policy will take effect May 1st, and the office will have that contract available.

Also, the office has partnered with our Security Team requesting they start locking the clubhouse at 10 pm and unlocking it at 6 am.

Since Easter is this month our activities will be a little slower to allow for family time. But keep an eye on the calendar for our upcoming events.

The HOA is busy, busy and we encourage you to utilize your talents and get involved. We are stronger together.

There is no meeting in April, but we will still have the Bistro, April 15th at 5 pm and we will be serving hamburgers, hot dogs and fries. Hope to see you there!

Attention: **Representative Cross (Senator McClain)**

Florida is home to hundreds of thousands of mobile home owners with many living on fixed incomes without the ability to increase their income. I want to express my support of **Representative Paula Stark (Senator Colleen Burton)** and **House Bill 701 (Senate Bill 1714)** and ask you to consider amending Chapter 420, Part VII of Florida Law to assist mobile home owners who own their homes that are placed on leased land with lot rental payments.

Thank you for your consideration in this matter.

(Please add your name, Sundance Mobile Home Park, and address).

**\*\*If you intend to make a call, please be willing to speak to the Legislative Aide, or do leave a voice mail! \*\***

# WATCHDOG

*Guarding manufactured/mobile home owner rights*

**CALL TO ACTION —SUPPORT House Bill 701 and Senate Bill 1714!!**

**ISSUE:** Florida is home to hundreds of thousands who have chosen the lifestyle found in manufactured/mobile home communities and parks. Many live on fixed incomes without the ability to increase their income. In many cases our mobile home residents are forced to choose between paying lot rent or buying food and medicine.

### House Bill 701 and Senate Bill 1714:

- Amends Chapter 420, Part VII, of Florida law to assist eligible mobile home owners who own their homes that are placed on leased land with lot rent payments.
- Assistance will be based on the home owner's financial need, specifically for persons of very low income, low income, or moderate income.
- The program will assist persons and households having annual incomes of not more than 140 percent of area median income.
- Require proof of income, tax returns, Social Security benefits, or unemployment status to determine the level of assistance.
- An eligible home owner will apply to the county or eligible municipality to participate in the Local Housing Assistance Plan to assist with lot rent payments specifically.
- The Florida Housing Finance Corporation, (FHFC), must monitor local governments to determine compliance with program requirements. FMO supports home owner's concerns about lot rent increases. We must eliminate the discrimination that exists against mobile home owners within the larger conversation about affordable housing. We should expect opposition from local governments, and probably the Florida Housing Finance Corporation. Local Housing Assistance Plans are in place and operating in most counties and some municipalities. Opening the door for new entrants may seem overwhelming to them.

**FMO supports home owner's concerns about lot rent increases. We must eliminate the discrimination that exists against mobile home owners within the larger conversation about affordable housing.**

Thank you for your patience as we continue to recover from the hurricanes. Tree trimming/removal, fence repairs and landscape renewal projects are scheduled and ongoing. We are hard at work trying to restore the community to its original luster!

Community members, we need your kindness and ability to compromise to shine brightly! Open slots for reservations for the clubhouse are few these days. Sticky situations are on the rise. If you have a standing reservation for your club, games, or music events and an occurrence which benefits the ENTIRE community needs to be scheduled at that time, your meeting, games or music event will be canceled for that day. The clubhouse enjoyment and usage belong to everyone, and the diversity and frequency of activities is what makes it so popular. Everyone needs to be gracious and accommodating when events must expropriate one's time slot for a day. Going forward, everyone needs to be aware that even when you put a deposit on a recurring, reserved slot of time in the clubhouse, there is a possibility it will be bumped, occasionally, for occasions advantageous to the WHOLE community. Thank you.

- We understand that sometimes it is not possible to clean up the clubhouse the same night after an event which goes late. Cleaning needs to be finished early the next morning. Absolutely no food can be left out overnight.
- By the same token, any resident, club or committee needs to communicate with the office when the kitchen or great room will be utilized in preparation for events days ahead of time.
- All tattered and shredded flags need to be removed and disposed of properly in the library.
- Vehicles need to be registered and insured.
- Please do not feed the feral cats. We need to stop the infestation.
